INTRODUCTION

The movie finds brothers and best friends, Mario and Luigi, applying their "let's-a-go" attitude to solve everyday problems all over their new home of the Mushroom Kingdom. They meet a new friend in Yoshi, work to reform a miniaturized Bowser (who is still imprisoned from the last movie), and eagerly look forward to Peach's big birthday party.

When a call for help, referencing Peach's unexplored past pops up, we'll see Mario and the crew blast off on an unexpected, epic journey, encountering imaginative new worlds, bold characters, and unexpected threats. The addition of the beloved characters Rosalina and Bowser Jr. to the cast promise big action, comedy, emotional conflict, and some shocking revelations fans will love.

In this anxiously awaited second instalment of their franchise, this latest film levels up the stakes in a new and exciting way for loyal gamers and movie fans alike.
